Company Overview

Richmond Plumbing & Hardware CC was established in February 2001

From very humble beginnings, we have grown into one of the largest independent Plumbing and Sanitaryware Merchants in KwaZulu-Natal. We deliver from Richards Bay to Umtata and up to Harrismith. Our staff has a combined 178 years of knowledge and experience in the industry.

We have supplied national contracts within South Africa as well as to the SADC region. Our projects range from residential builds and renovations through to commercial projects and industrial installations.

EST. 2001

Quality

Our product offering includes both local and European imported products, which all either comply with or bear the SABS mark of approval.

Statement

Mission

Service delivery and quality of product is of great importance to us as quality products delivered on time create satisfied customers.

Our Main Objectives

Keeping our customers satisfied, to provide a prompt, friendly and efficient response to enquiries, service requests and complaints, and to provide the best products at the best prices.
